

Miniature double-hemisphere world map

EXPILLY, Jean-Joseph.  
 Mappemonde Représentée en Hemispheres.

Paris, 1765. 105 x 165mm.

£280

Small format world map by the French Abbot Jean-Joseph Expilly, published less than five years before Cook's first voyage, so showing only the partial outlines of Australia and New Zealand. Although it is not named, the fictitious 'Mer de l'Ouest' is shown in North America.
