

An Italian world map showing Cook's voyages

CASSINI, Giovanni Maria.

Mappa Mondo O Descrizione Generale Del Globo Terraqueo Con I Viaggi E Nuove Scoperte Del Cap. Cook.

Rome, 1788. Old colour. 350 x 475mm.

£1,800

A double-hemisphere world map showing all three of Cook's voyages, with allegorical figures of the continents in the borders. Despite Cook's failure to find a North West Passage from the Pacific, Cassini has included one!
