

An 18th century Irish chart of Barbados

GRIERSON, George
Barbados.

Dublin: George Grierson, 1749. 290 x 260mm, set in text.

£200

A close copy of John Thornton's chart of Barbados, first published c.1700, from the Irish pirate edition of Mount & Page's 'The English Pilot. The Fourth Book Describing The West India Navigation...', the first sea atlas of America containing charts only from English sources. Greierson (1680?-1753) may have been Printer to the King in Ireland, but this did not stop him pirating atlases including those of Thornton and Moll.
