

An Italian edition of Sanson's important map of North America

DE ROSSI, Giovanni Giacomo.

L'America Settentrionale Nuovamente corretta, et accresciuta secondo le relationi piu moderne, da Guglielmo Sansone...

Rome, 1677. Original outline colour. 410 x 560mm.

£1,850

Engraved by Giorgio Widman, this is a derivative of Guillaume Sanson's map of North America, in turn a reduction of his father Nicholas' four-sheet wall map of 1666. California is shown as an island, and the western Great Lakes are open-ended.

McLAUGHLIN: 65, first state of three.
