

Elevation of the facade of St. Peter's in the Vatican

LAFRERI, Antonio?
Facciata de San Pietro in Vaticano.

Rome: Hendrik van Schoel, 1607. 410 x 545mm

£1,000

After an engraving of Maderno's first project for the facade of St. Peter's in Rome. Hendrik van Schoel (c.1565-1622) of Antwerp bought a number of plates of the 'Speculum Romanæ Magnificentiæ', originally published by Antonio Martinez of Salamanca and Antonio Lafreri c.1550, republishing them in Rome.
