

17th century town plan of Munich etched by Hollar

VOLKMER, Tobias.

Monachium Aviica sedes ducum Bavariae.

Amsterdam, 1657. 360 x 470mm.

£330

Bird's eye view of Munich, inside the double ramparts and a moat, with the river Iser on the right, a coat-of-arms of Duke of Bavaria with the Order of the Golden Fleece at top left, a shield of a monk at top right. On the left is an extensive key to notable places on the town plan. The plan was etched by Wenceslaus Hollar.
