

An early view of Sacramento

COOPER, George Victor
Sacramento-City in Californien.

Hildburghausen: Hermann J. Meyer, c.1850. Steel engraving. 145 x 190mm.

£70

A view of Sacramento, looking up J Street from the river, copied from the view by George Victor Cooper and published in 'Meyer's Universum'. It shows the city just as miners flooded there after gold was discovered in 1848.
