PRODUCT DESCRIPTION

A stylised family tree of the Dukes of Savoy, from the father of Umberto I, first Count of Savoy (c.980-c.1048), to Charles Emmanuel I (1580-1630) and nine of his ten children, including his successor, Victor Amadeus I (born 1587, succeeded 1630, died 1637). It is decorated with portraits of Charles and his wife, Catherine Michelle of Spain, and a map of Piedmont marking Antibes, Monaco and Genoa.
