

17th century chart of Bahia de Todos los Santos

BLAEU, Johannes.  
Sinus Omnium Sanctoru.

Amsterdam, 1662, Latin edition. Original colour with additions. 385 x 500mm.

£400

The Bay of Santos, with an inset plan of San Salvador and a scroll title cartouche. As the map only appeared from 1662 in the Americas volume of Blaeu's final atlas, the 'Atlas Major', it is comparatively uncommon.
