

An early 19th century map of America

BORDIGA FRATELLI.

L'America Settentrionale e Meridionale Approvata dalla Direzione Generale di Pubblica Istruzione per uso dell Scuole del Regno d'Italia.

Milan: Betteli brothers, 1826. Coloured. 515 x 740mm.

£400

A large map of the Americas also showing the Pacific islands including New Caledonia, Hawaii and New Zealand, and insets of Hispaniola and Martinique. The map was originally published in 1814, during the reign of Napoleon Bonaparte as king of Italy. Thus the map highlights French colonies in America,
