Hoefnagel's beautiful two-sheet townplan of Antwerp

BRAUN, Georg & HOGENBERG, Frans. Antverpia.

Cologne, 1598. Two sheets conjoined, total 450 x 785mm.

£1,500

This two-sheet bird's-eye view of Antwerp was prepared for Volume V of Braun & Hogenberg's 'Civitates Orbis Terrarum', published 1598. These large maps are often badly damaged because they were folded several times to fit into the atlas: however this example is surprisingly in good condition.
