

An important survey of Liverpool in 1785

EYES, Charles.

A Plan of the Town and Township of Liverpool, From an Actual Survey taken in the Year 1785 By Cha.s Eyes.

c.1860. Lithograph, dissected and laid on linen, total 550 x 900mm, folded into cloth covers, as issued.

£750

A lithographic production of an extremely rare survey of Liverpool, orientated with north to the right, recording the owners of the land around the town during a period of swift expansion. The Leeds and Liverpool Canal is marked during its construction. Charles Eyes (c.1754-1803) was Town Surveyor from 1781.
