

Early 19th century map of Panama

LUFFMAN, John.

The Isthmus of Panama. Engrav'd for Luffman's Select Plans.

London: Luffman, 1802. 135 x 160mm.

£180

Plan of the Isthmus of Panama, published in Luffman's 'Select Plans of the Principal Cities, Harbours, Forts &c. in the World'. Pre-Canal, the map shows two routes across the continent: the road from Porto Bello to Panama City; and by the river Chagres then by road to Panama.
