

An 18th century map of Liguria with a prospect of Genoa

HOMANN, Johann Baptist.

Status Reipublicae Genuensis nec non Prospectum Celeberrimae eiusdem Urbis et Portus  
 Geographica simul et Topographica Descriptio

Nuremberg, c.1730. Original colour with additions to the prospect. 495 x 570mm.

£1,100

A fine map of the Republic of Genoa. Beneath the map is an elaborate allegorical title cartouche depicting the achievements of the Republic. Below that is a prospect of the city with a key to important places.
