

Detailed map of Oman, with Muscat marked

VANDERMAELEN, Philippe.
 Partie de L'Arabie. Asie No 92.

Brussels, 1827. Original colour. 460 x 530mm.

£750

Showing part of the Arabian peninsula, including Oman, with Muscat and the island of Marirah also marked. Published in the 'Atlas Universel de Geographie', the first atlas to have every map on the same scale, 1:1,641,836. Because of this standardisation it was the first time that some areas of the world were shown with any detail. However the interior of the peninsula is mostly blank and some of the coastal features are incorrect.
