

18th century map of Beizhili, with Beijing

ANVILLE, Jean Baptiste B. D'.
 Province de Pe-tche-li.

Paris, c.1735. 395 x 320mm.

£750

The province of Beizhili, the region around Beijing (Peking), showing the Great Wall, with a very decorative chinoiserie title cartouche depicting dragons. D'Anville's atlas of China was the first western atlas of China since Blaeu in 1654.
