

Map of the environs of London in Victorian times

DAVIES, Benjamin Rees.

Davies's Map of the Environs of London.

London, Edward Stanford, 1875. Original colour. Dissected and laid on linen, sheet 790 x 1155mm.

£500

A large and detailed map, covering from Windsor in the west clockwise to Potter's Bar, Amersham, Brentwood, Dartford and Leatherhead. The map highlights the railway system that had expanded considerably in recent years.

HYDE: 39.
