

A scarce separate-issue map of the environs of Genoa

Anonymous.

Carte Particuliere de Genes et de ses Environs.

Paris?, c.1720. 395 x 540mm.

£950

A scarce map of the environs of Genoa, with an extensive key down the sides and a miniature plan of the port in the bottom left corner. In the title is a finely-engraved armorial. We have traced only one institutional example (Biblioteca Nacional de Portugal, CC-178-V) and one for sale in the last ten years.
