

18th century map of Europe

HOMANN, Johann Baptist.
 Europa Christiani Orbis Domina in sua Imperia Regna et Status...

Nuremberg, c.1740. Original colour with additions. 490 x 585mm.

£650

A large and detailed map of Europe in fine colour, highly detailed, showing individual mountains and trees. The large title cartouche features Europa, surrounded by putti nestled in the clouds. Produced for the Atlas Novus Terrarum, published in Nuremberg.
