

Decorative map of London

GEOGRAPHIA LTD.
 The New Pictorial Map of London.

London, 1934. Colour lithographic map. 500 x 750mm

£750

An interesting map of London, based on the Wonderground map by Leslie MacDonald Gill. In the left, top corner is an inset showing the theatres with the underground stations marked. In the top, right corner is an inset showing the cinemas with the underground stations marked. Many places of interest are shown with amusing little quips and illustrations.
