

A rare map of Taiwan

STOCKLEIN, Joseph.

Die Insel Formosa Neu Abgemessen aus Besehl Kaysers Kamhi.

Augsburg, 1728. 190 x 250mm.

£1,000

A rare map of Taiwan, published in the 'Reis Beschreibungen'. Based on Jesuit research, the eastern coastline has yet to be mapped properly: the map shows a mountain range extending into the ocean off the east coast of the island.
