

An early townplan of Oneglia in Liguria

BLAEU, Johannes.
 Onelia vulgo Oneglia.

The Hague: R.C. Alberts, 1725. Two sheets conjoined, total 480 x 605mm.

£900

A map of Oneglia in the form of a bird's-eye view, with a short key underneath. This important port was the birthplace of Andrea Doria. The plan was published in the 'Nouveau theatre du Piemont et de la Savoye', one of Blaeu's townbooks of Italy, first published by his heirs in 1682.
