A map of the sea approaches to St Petersburg

SEUTTER, Matthäus.
Accurata Delineatio Sinus Finnici Cronstadio Petropolin usque, una cum locis amoenis in litore ejus exstructis ad exemplar Petropolitanum calamo expressit.

Augsburg, c.1740. Original colour. 500 x 580mm.

£1,450

A very fine example of the chart of the eastern Gulf of Finland, showing from the fortified island Kronstadt to St Petersburg, marking the sandbanks that would be a hazard to shipping. The title and key are in Cyrillic and Latin script. A vignette prospect of St Petersburg is supported by sea monsters.
