A scarce chart of South America

BROUCKNER, Isaac.
Carte Marine de l'Amérique Meridionale. l'Anné 1749.

Berlin, 1749-70. Original outline colour. 450 x 530mm.

£740

An unusual chart of South America below the Amazon, with a grid of only 1º published as plate XII of Brouckner's scarce Nouvel Atlas de Marine. Although dated 1749, it marks "P. S. Louis" (Port Louis) in the Falklands, founded by Louis de Bougainville in 1764. Of interest is a note at "B. de los Camarones" in Argentina, suggesting a route to cross the Andes to Chiloé in the Pacific.
