

Raiatea Island from Cook's Voyages

HAWKESWORTH, John.

No 3. [A view of the island of Ulietea, with a double canoe and a boathouse.]

London: Strachan & Cadell, 1773. 490 x 240mm.

£220

A view of Raiatea, engraved by Rooker for Hawkesworth's 'An account of the voyages undertaken by the order of His present Majesty for making discoveries in the Southern Hemisphere', which contained the official account of Cook's First Circumnavigation. The title, as above, comes from the index of plates.
