

An early 18th century plan of Vienna with a prospect of the city

HOMANN, Johann Baptist.  
 Prospect und Grund-Riss der Kayserl. Residenz-Stadt Wien...

Nuremberg, c.1720. Coloured. 490 x 580mm.

£700

A fine example of this town plan of Vienna, highlighting the defenses, with an extensive key. Under the map is a prospect of the city, depicted as if on a banner, surrounded by allegorical figures, including one representing the River Danube, with Ottomans looking on enviously behind.
