

The First Edition of Speed's famous 17th century map of Hungary

SPEED, John.

The Maape of Hungari newly augmented by John Speed Ano. Dom: 1626.

London, George Humble, 1627. Coloured. 395 x 510mm.

£1,650

A fine map of Hungary, from Speed's 'Prospect of the Most Famous Parts of the World', with eight costume vignettes down the sides and four city prospects, including Buda (Ofen), along the top. Published in the first English atlas of the world, it has a text description of the country in English on the reverse.
