

An early detailed map of Bengal

BOLTS, William.

Carte de Bengale et de ses dépendances, Dressée d'après des Plans pris sur les lieux.

Paris, 1775. 405 x 560mm.

£150

A detailed map of Bengal, published five years before James Rennell's 'Bengal Atlas'. It was issued in 'État civil, politique et commerçant du Bengale, ou Histoire des conquêtes et de l'administration de la Compagnie angloise dans ce pays', by William Bolts (1739-1808). A Dutch-born former employee of the East India Company, he wrote about the operations of the Company in the region.
