

A scarce 17th century plan of Cologne

JANSSON, Jan.
 Colonia Agrippina. Cöln.

Amsterdam: sons of Johannes Jansson van Waeseberg, 1682. 390 x 500mm.

£500

A detailed town plan, with two extensive keys, published in the second edition of Jansson's Townbooks, issued by Jansson's grandsons. Although most of the plans were reissues of the Braun & Hogenberg plates, this is a re-engraved version of the plan in Marin Zeiler's 'Topographia Germania'.
