

A view in New Zealand from Cook's first visit

HAWKESWORTH, John.

No 17. [A view of a perforated rock in Tolaga Bay in New Zealand.]

London: Strahan and Cadell, 1773. 270 x 235mm.

£70

An untitled illustration of a rock arch in New Zealand (the title given here taken from the index of plates). Published in Hawkesworth's 'An account of the voyages undertaken by the order of His present Majesty for making discoveries in the Southern Hemisphere...', which contained the official account of Captain Cook's First Voyage.
