

Charming miniature plan of London

Anonymous.

Londres Ville Capitale del'Angleterre...

Amsterdam, c.1706. Coloured. 125 x 170mm.

£380

A miniature map of London with the layout of the streets but only the Thames named. At the bottom are the Royal Arms with allegorical figures of the Thames and Britannia; above are the arms of the City. The map was published in the 'Atlas Portatif, ou le nouveau Theatre de la Guerre en Europe; Contenant les cartes geographiques, avec les plans des Villes & Forteresses les plus exposees aux revolutions presentes'.

HOWGEGO: 52, reporting another printing by Daniel de la Feuille.
