

A 16th century woodcut map of North West Africa

HONTER, Johannes.

Nova Africa hoc est., recens eius investigatio.

Basle, 1572, Latin text edition. Woodcut map, printed area 125 x 155mm, set in a page of text, with a woodcut map of Madeira and a second woodblock on the reverse.

£230

A map of North West Africa, set in text, originally published in Honter's 'De Cosmographiae Rudimentis' in 1561, but this example was issued in Sebastian Munster's 'Cosmographia'. On the reverse is a map of Madeira and an image of a volcano underneath.
