

An incunable 'view' of Poland

SCHEDEL, D. Hartmann.

De Sarmatia regione Europe. De regno polonie et eius initio.

Nuremberg, Anton Koberger, 1493, Latin text edition. Coloured woodcut, image 230 x 225mm, set in a page of text.

£650

An imaginary map-view of Poland, showing cities along a river, with a Latin text history of the country. Published in the famous 'Nuremberg Chronicle', a profusely-illustrated history of the world, it is one of the earliest obtainable illustrations of Poland.
