

An uncommon 17th century map of Asia

ALLARD, Carel.

*Exactissima Asiae Delineatio, in Praecipuas Regiones, Caeterasq. Partes divisa, et denuo in lucem edita.*

Amsterdam, 1690, Original colour. 505 x 595mm.

£1,400

A highly decorative map of Asia, derived from Nicolaas Witsen's 4-sheet map of 1687, with an inset top right showing the northern extremities of Siberia. Above Japan is Hokkaido, only partially mapped and called Yedso. The title cartouche bottom left represents the riches of the continent.
