

The Strait of Malacca & Singapore

AA, Pieter van der.

Le Detroit de Malacca, Dressee sur les memoires des plus savans Voyageurs modernes...

Leiden, c.1714. Uncoloured. 265 x 160mm.

£475

Scarce chart of the Straits of Malacca, a stretch of water between the Malay Peninsula and the Indonesian island of Sumatra, oriented to the northwest. Depths are noted and the Strait of Singapore is named at the bottom of the chart. Published in Van der Aa's monumental work 'La Galerie agreable du Monde'.
